ABOUT ME

Mom, Writer, Author, Speaker, and Conference Creator, fueled by faith and the desire to encourage women to live on purpose and build families designed for kingdom work.

THE CONFERENCE THAT INSPIRES WOMEN TO BURN AT THEIR BRIGHTEST

Connection & Community

Single moms of Faith...Burning Bright, Not Burning out, is a **free**, conference that provides a platform for single moms to connect with a community of women, and discuss relevant issues with transparency and no judgment attached.

Faith

Faith is the cornerstone of this conference! Women are encouraged to make God their partner and first priority. The emphasis is on digging into God's word, and placing their identity in Christ, to equip them to build their family's home on an unshakable foundation.

Who Am I

My story as a single mom began over 13 years ago. It was during that uncertain time, that my heart was opened to the grace of God, and He became my partner on this winding, but rewarding journey. Experiencing God's unconditional love, motivated me to connect with other single moms and share the message that they are not alone, that God is with them every step of the way! I am founder of the blog, "A Single Christian Mom's Advice on Making Life Easier," that was named in the Top 15 Single Moms Blogs in Earnest Parenting, the Top 25 Single Mom Blogs in Circle of Moms and named among the Top 50 Parenting Blogs in My Kids Need That.com.

That blog has evolved into [Faith, Coffee and a Kid](#), where I offer my podcast and workshops. I have had the pleasure of connecting with women through writing a weekly column for [Moms of Faith](#), contributing an excerpt in the book, "[A Global Orphan Crisis](#)," being an [intern](#) for the author, Kathi Lipp, participating as a [Mom Mentor for Graham Blanchard Publishing](#), and promoting faith-based entertainment through Grace Hill Media, and having articles published in [Just Between Us Magazine](#) and [Inspired Women Magazine](#).
